

# MICROPAS7 Upgrade Order Form

All MICROPAS® upgrade orders include the software, electronic versions of the MICROPAS7 user manual and other residential compliance reference materials, one year of unlimited technical support and a 45-day money back guarantee. MICROPAS7 installs and runs in most versions of Windows (except 64-bit) and requires at least 22mb of available disk space. Orders are shipped, via priority mail, usually the same day the order is received.

### Company Information

With the exception of the name, the following information is coded onto the program CD before it is shipped. Please be sure that these lines read exactly as you like, as they will be printed on each printout. The printouts have space for 32 characters on each line.
